International shippers will be identified and appointed.

It is the SA PRESTIGE INVITATIONAL RACE'S commitment:

To provide a facility to house 500 racing pigeons in an acceptable Environment to allow for excellent racing conditions. Appoint a pigeon trainer with adequate experience and understanding of a single bird loft, in so doing securing excellent racing results. To provide staff to assist the loft manager, allowing the pigeons to perform in accordance to their ability. To ensure the health of all the pigeons at all times. The loft Manager and trainer will ensure that all the necessary vaccinations; and treatments will be given to the pigeons as and when required. Management will ensure that all the birds are trained adequately prior to their commencement of road training. The road training program will be announced and managed by the management team. The 4 hot spot races will be clearly identified and announced. The final race will be from approximately 650km and will take place, on the 24th of September of each participating year.

All entry fees will be paid into the Sapir bank account as displayed, to ensure that all prize monies are guaranteed. Sapir will be allowed to draw down of these entry fees for costs to host the event. Benzing live will provide all the results of the training flights, hot spot races and the final race. The results and averages of all participants will be posted.

SECURITY TERMS AND CONDITIONS:

All entered pigeons will be handled with the highest possible security. All the bird's identities will immediately be concealed in such a manner, that no participating member or management will be able to physically, identify them. All the entered pigeons will receive an electronic ring, linked to its permanent ring, so that training and race results can be issued with ease.

HOT SPOT CONDITIONS AND FINAL RACE:

Only 3 pigeons of the entered team can be nominated no later than 1 week before the first training race. Only these pigeons will qualify for the hot spot and final race prizes. The remaining pigeons will in all participate races. The breeder will have one opportunity to change his nomination 1 week prior to the first hot spot. Should a breeder's nominated bird be lost, a reserve bird of his choice will take its place. The new nominated bird will then qualify for the prizes. Should the nominated pigeon be injured as deemed by the Sapir management, a free substitution is allowed. The new nominated pigeon will then qualify for the prizes.

Prize Money, Auctions and Pedigrees

On conclusion of the race season the remaining pigeons will go on auction. The auction process and auctioneer will be at the discretion of the SAPIR ONE LOFT Management. The auction may consist of a live and or web auction or a combination of both. Live auctions may take place at a venue or at various clubs. This will be solely the SAPIR management's discretion.

All Auction process will be transparent and fair for all.

Once a pigeon bid exceeds R500.00 . 50% of the net proceeds after sale costs will be paid to the activator of the pigeon. The balance of the sale proceeds will go to the SAPIR ONE LOFT.

When entering the race it is compulsory to supply a pedigree with the entered team / pigeons. Entrants are encouraged to supply pedigrees showing a minimum of 2 generations to maximize the sale price of the birds.

These pedigrees can be supplied with the birds when they are dropped off at the SAPIR ONE LOFT office or to the agents or scanned and emailed to info@sapir.co.za direct. If pigeons are supplied without a pedigree, there will be no pay-out of sale proceeds. Pigeons without pedigrees will belong to the SAPIR ONE LOFT and sold or given away in the absolute discretion of SAPIR ONE LOFT management.

If a syndicate is registering pigeons for participation there must be one nominated individual or company for communication purposes and for receipt of prize money and after race sale proceeds. SAPIR ONE LOFT management will only take instructions from the appointed person about syndicate birds.
